

COMFORTMAKER® PACKAGED GAS/ELECTRIC HEATING & COOLING SYSTEMS

Comfortmaker
Air Conditioning & Heating

PAD3/PHD3

All-in-one, year-round comfort.

Get the advantages of heating and cooling in one packaged unit that's compact and easy to install on the ground or rooftop, with standardized ducts. The efficiency and durability of these systems are outstanding because they're built with top-line components. The Copeland Scroll® compressor is the industry's proven choice for cooling performance, and the aluminized steel heat exchanger delivers reliable heating performance. The pre-painted steel cabinet is designed with a rust-resistant base and protective covering for the copper tubing and copper/aluminum coils to withstand extreme outdoor conditions.

Get the backing of strong warranties.

Every Comfortmaker® unit is backed by exceptional warranties. You get up to a 10 year^s parts and compressor limited warranty* and a 10 year heat exchanger limited warranty.* And don't forget to ask your dealer about HELP® extended service agreements for additional worry-free protection for parts and labor coverage.

PGD3 Packaged Gas Furnace/Electric Air Conditioner

- Energy-efficient up to 13.5 SEER[†] and 80.4% AFUE[‡]
- 10 year heat exchanger limited warranty*

COMFORTMAKER® PACKAGED GAS/ELECTRIC HEATING & COOLING SYSTEMS

- 1 Copper/aluminum coils and quality copper tubing with TVX for proper flow of refrigerant.
- 2 Durable aluminized steel heat exchanger promotes efficiency.
- 3 Direct spark gas ignition for greater reliability.
- 4 X-13 indoor blower motor provides efficient airflow.
- 5 Copeland Scroll® compressor requires no pistons and few moving parts to give you quiet operation along with efficiency.
- 6 Control panels allow for quicker, easier service access.
- 7 Rugged pre-painted steel cabinet, full perimeter metal-base rails, and wire grilles to protect the coil.

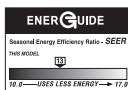

The Copeland Scroll® compressor requires no pistons and few moving parts to give you quiet operation along with efficiency and reliability.

This Comfortmaker product carries a ten (10) year limited warranty on parts, including compressor and coils, to original homeowner if installed in an owner-occupied, single-family residence and properly registered within ninety (90) days after original installation. Otherwise, the parts warranty period is five (5) years from the date of installation. Heat exchangers may carry longer limited warranty coverage that applies to original homeowners with timely registration. (See Warranty Certificate for registration instructions. Registration not required in all jurisdictions.)

All systems tested and listed by the appropriate agencies.

ISO 9001:
2000 Registered
